## **1. BACKGROUND:**

The Prevention of Money Laundering Act, 2002 (PMLA) has been brought into force with effect from 1st July 2005 and it provides for Anti-money Laundering and Anti-terrorist Financing measures to be taken in India and the rules framed there under provides guidance on the practical implementation of the provisions laid down in the Act. The Director appointed by Financial Intelligence Unit-INDIA (FIU-IND) has been conferred with exclusive and concurrent powers under relevant sections of the Act to implement its provisions. The Act imposes an obligation on banking companies, financial institutions and intermediaries associated with the securities market and registered with the Securities and Exchange Board of India (SEBI) under section 12 of SEBI Act, 1992. The stock brokers fall under the category of intermediaries under section 12 of SEBI Act, 1992, and hence the provisions of PMLA are also applicable to all the stock brokers. Establishment of Anti-money Laundering programs by Market Intermediaries are one of the central recommendations of the Financial Action Task Force (FATF).

SEBI has issued necessary directives from time to time vide its circulars covering issues related to Know Your client (KYC) norms, Anti Money Laundering (AML), Client Due Diligence (CDD) and Combating Financing of Terrorism (CFT). This policy document is based on the SEBI's master circular on PMLA bearing reference no. ISD/AML/CIR-1/2010 dated February 12, 2010 and subsequent circular bearing reference no. CIR/ISD/AML/ 2/2010 dated June 14, 2010, CIR/ISD/AML/3/2010 dated December 31, 2010, MIRSD/SE/Cir-21/2011 dated October 5, 2011, CIR/MIRSD/22/2011 dated October 25, 2011, MIRSD/ Cir/23/2011 dated December 2, 2011, MIRSD/Cir/26/2011 dated December 23, 2011, CIR/IMD/FII&C/13/2012 dated June 7, 2012, circular bearing reference no. CIR/MIRSD/11/2012 dated September 5, 2012, circular bearing reference no. CIR/MIRSD/1/2014 dated March 12, 2014 which consolidates requirements/ obligations to be fulfilled by all the registered intermediaries. This policy will be subject to changes in order to incorporate further directives that SEBI may give vide its circulars on PMLA, from time to time.

**Note: Apart from the written procedure we intend to take timely note of various directives/ amendments from the regulatories and comply accordingly in regular course of business.**

## **2. WHAT IS MONEY LAUNDERING?**

Money Laundering is the processing of criminal proceeds to disguise their illegal origin. It is a process by which persons with criminal intent or persons involved in criminal activities attempt to hide & disguise the true origin and ownership of the proceeds of their criminal activities, thereby avoiding prosecution, conviction and confiscation of illegal funds.

There are three common stages of money laundering as detailed below which are resorted to by the launderers and Market Intermediaries which may unwittingly get exposed to a potential criminal activity while undertaking normal business transactions:

Placement - the physical disposal of cash proceeds derived from illegal activity;

Layering - separating illicit proceeds from their source by creating complex layers of financial transactions designed to disguise the source of money, subvert the audit trail and provide anonymity;

Integration—placing the laundered proceeds back into the economy creating the impression of apparent legitimacy to criminally derived wealth.

Using the above methods the laundered proceeds re-enter the financial system appearing to be normal business funds. Market Intermediaries are therefore placed with a statutory duty to make a disclosure to the authorized officer when knowing or suspecting that any property, in whole or in part, directly or indirectly, representing the proceeds of drug trafficking or of a predicated offence, or was or is intended to be used in that connection is passing through the Market Intermediaries. Law protects such disclosures, enabling the person with information to be able to disclose the same without any fear. Market Intermediaries likewise need not fear of breaching their duty of confidentiality owed to customers.

### **3. FINANCIAL INTELLIGENCE UNIT (FIU)-INDIA**

The Government of India has set up FINANCIAL INTELLIGENCE UNIT (FIU)-INDIA on November 18, 2004 as an independent body to report directly to the Economic Intelligence Council (EIC) headed by Finance Minister.

FIU-IND is also responsible for coordinating and stretching efforts of national and international intelligence and enforcement agencies in pursuing the global efforts against money laundering and related crimes.

**4. ANTI MONEY LAUNDERING PROGRAM (AML)**

**Annexure- I****Customer Identification Requirements – Indicative Guidelines**

<b>Particulars</b>	<b>Guidelines</b>
Trust/Nominee or Fiduciary Accounts	There exists the possibility that trust/nominee or fiduciary accounts can be used to circumvent the customer identification procedures. CRKSSBPL should determine whether the customer is acting on behalf of another person as trustee/nominee or any other intermediary. If so, CRKSSBPL shall insist on receipt of satisfactory evidence of the identity of the intermediaries and of the persons on whose behalf they are acting, as also obtain details of the nature of the trust or other arrangements in place. While opening an account for a trust, CRKSSBPL should take reasonable precautions to verify the identity of the trustees and the settlers of trust (including any person settling assets into the trust), grantors, protectors, beneficiaries and signatories. Beneficiaries should be identified when they are defined. In the case of a 'foundation', steps should be taken to verify the founder managers/ directors and the beneficiaries, if defined.
Accounts of companies and firms & AOP	CRKSSBPL need to be vigilant against business entities being used by individuals as a 'front' for maintaining accounts with brokers. CRKSSBPL should examine the control structure of the entity, determine the source of funds and identify the natural persons who have a controlling interest and who comprise the management. These requirements may be moderated according to the risk perception e.g. in the case of a public company it will not be necessary to identify all the shareholders. But at least promoters, directors and its executives need to be identified adequately.
Accounts of Politically Exposed Persons (PEPs) resident outside India	Politically exposed persons are individuals who are or have been entrusted with prominent public functions in a foreign country, e.g., Heads of States or of Governments, senior politicians, senior government/judicial/military officers, senior executives of state-owned corporations, important political party officials, etc. CRKSSBPL should gather sufficient information on any person/customer of this category intending to establish a relationship and check all the information available on the person in the public domain. CRKSSBPL should verify the identify of the person and seek information about the sources of funds before accepting the PEP as a customer. CRKSSBPL should seek prior approval of their concerned Heads for opening an account in the name of PEP.
